Riviera Zoning Pleas Set For Hearing July 27

Next Tuesday evening has been set for the third and final hearing on three Torrance zoning matters involving areas in Hollywood Riviera and business property on Torrance boulevard.

The council last week voted to uphold the city planning commission in denying the Riviera Housing Corporation a change of zone affecting all of Tract 14898, in the Hollywood Riviera where a number of new homes are being constructed. The corporation sought a rezoning from A-1 to R-1 to permit residential development.

The council also upheld the planning body in its denial of a change of zone for Lots 9 to 13 and Lot 21 of Block F of Tract 10500, also located in Hollywood Riviera. Here the Hollywood Development Company asked rezoning from R-3 to C-2.

Third and final hearing also is to be held on the petition of Luther Mumford for a change of zone affecting the southeast and northeast corners of Torrance boulevard and Madrid avenue. These corners now are zoned R-1 and R-3 and Mumford sought rezoning to C-2, retail commercial. The planning commission also denied this.
